Welcome	Welcoming in a Construction Zone	We're entering an exciting phase of ministry that comes with a lot of strategy shifts. Join us as we breakdown those strategy shifts and brainstorm how we minister with those shifts in mind.	CLC
Community Outreach	Welcome to Neighbors Table	Our ministry to our unhoused neighbors has a home, and in 2026 we're planning to grow! We want to expand Neighbors Table to be a place where we eat side-by-side, growing in relationships across socio-economic boundaries. Whether you are thinking about getting involved or already part of a team, let's talk about what this can look like and the roles we will all get to play!	104B
Worship	Worship Arts During Construction	This is an All Worship and Production team meeting for people who serve in Worship Arts. At this team meeting we will discuss the plan for how Worship Arts will operate during the main construction phase of Cannonball.	Worship Center
Groups	Building Together	We're entering an exciting season of ministry and this session will equip group leaders to lead with confidence and clarity through the change. We'll focus on how to care for people well and continue building healthy, growing groups during time of transition.	105
Kids	FCC Kids: Thriving in Construction	Share in where Kids are headed, building for the future. We will outline our plan for continued growth, and how FCC Kids will be affected during each construction phase. This meeting will help align our leaders around the vision and the next steps as we build something strong together.	G20A Round Room
Students	Safety and Security in FCC Students	One of the best gifts we can give families in our ministry is a safe environment. This session, required yearly for leaders FCC Students, will equip class teachers and groups leaders with what they need to minister to students and their families well.	103A
College-Age	FCC College-Age Huddle	If you are a student or volunteer with FCC College Age, join us to hear about the future of this ministry. During this session we will prepare for upcoming shifts that will impact how we do ministry both now and going forward.	103B
